While working on the ILIAD, our staff became aware of the numerous memories to be kept between the covers of this book. Memories of our high school days should be happy ones but we must also realize that these are the days when we are developing our personalities. The four personality traits above are ones that we all need to develop. We hope that our years at Southwest have instilled in us the desire to learn, sincerity in dealing with others, the significance of our humbleness, and everlasting gratitude to all those who helped to make us what we are.

To Our Parents

When we, as seniors, think of all the love and understanding shown to us...the sacrifices made...and guidance given...we think of our parents and say...

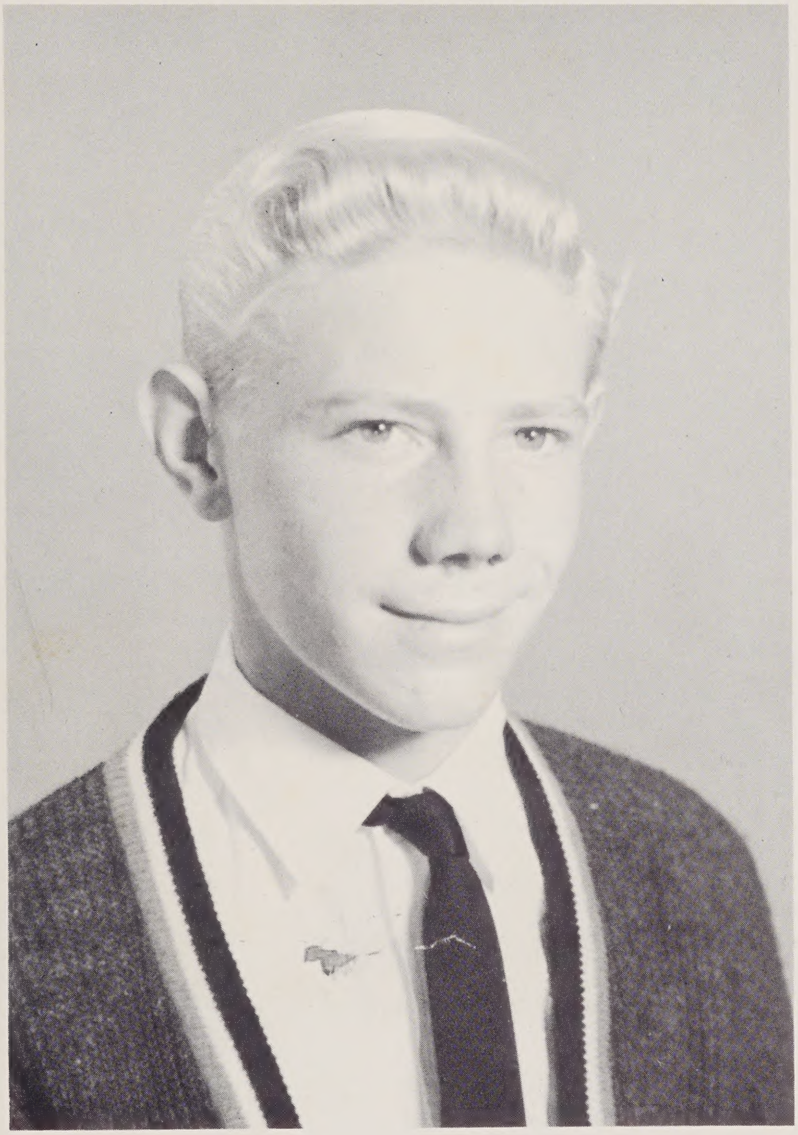
Dedication

When Southwest High first opened its doors in 1956, a school with new teachers and students was formed. Since that time, students have changed and many different teachers have come and gone. One person, in particular, has meant a lot to the school ever since its existence for she has been with it since that time. The senior class would like to show its deep appreciation for all she has meant to us during our four short years at Southwest by dedicating the 1963 ILIAD to MRS. IRENE HARPER.

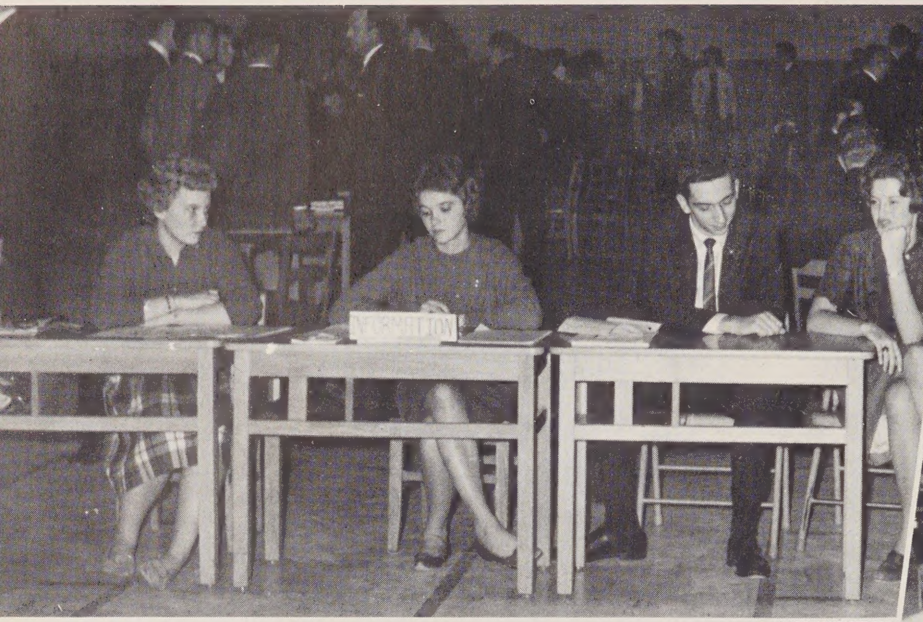
In Memoriam

Near shady wall a rose once grew,
Budded and blossomed in God's free light,
Watered and fed by morning dew,
Shedding its sweetness day and night...



In Memoriam

. . . Scattering fragrance far and wide,
Just as it did in days of yore,
Just as it did on the other side,
Just as it will forevermore.

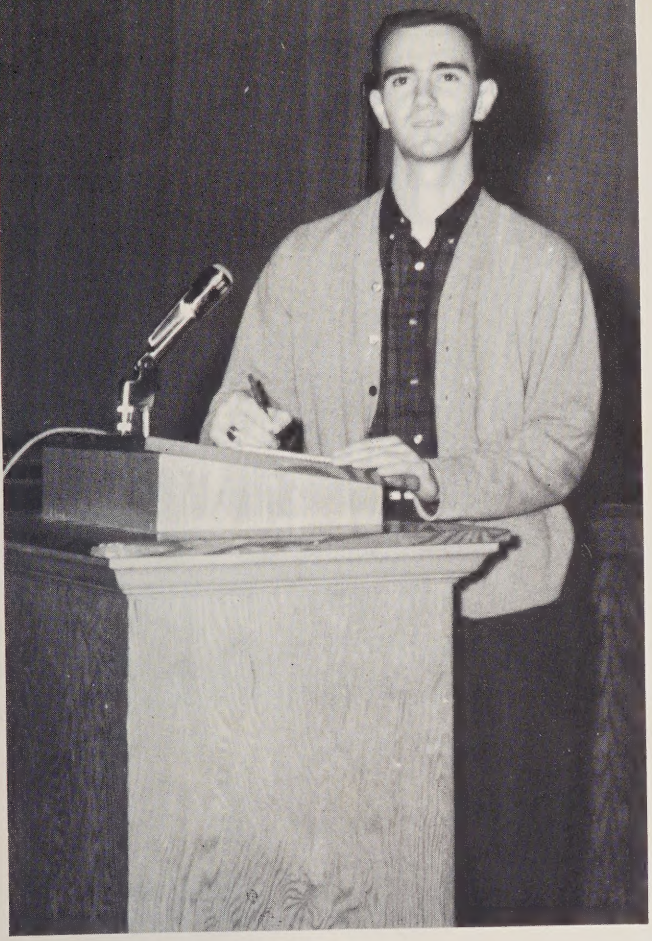


Southwest acted as host to representatives from business schools.

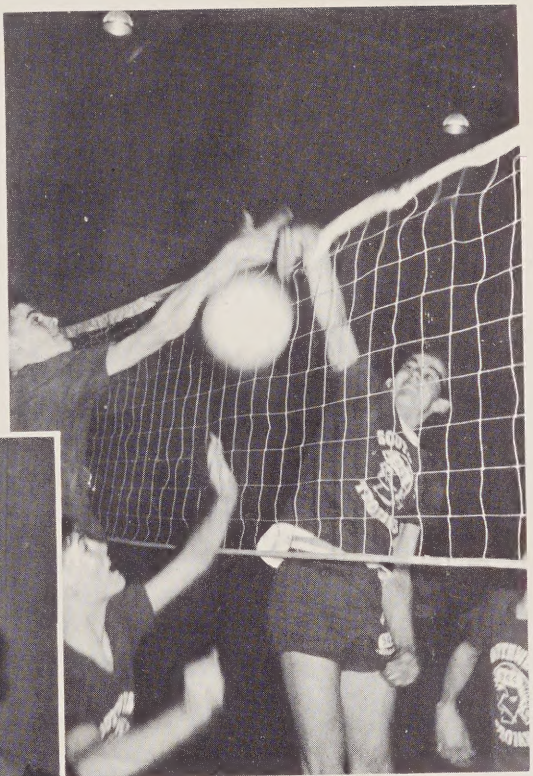
Freshmen take part in mass testing program.

Our students find that one phone is not enough.

"Give me an S"



Will the meeting please come to order...



Spike it!

These boys proudly display the vests they made themselves.

These students were rewarded for outstanding work on the ODYSSEY or ILIAD staff by induction into the Quill and Scroll.

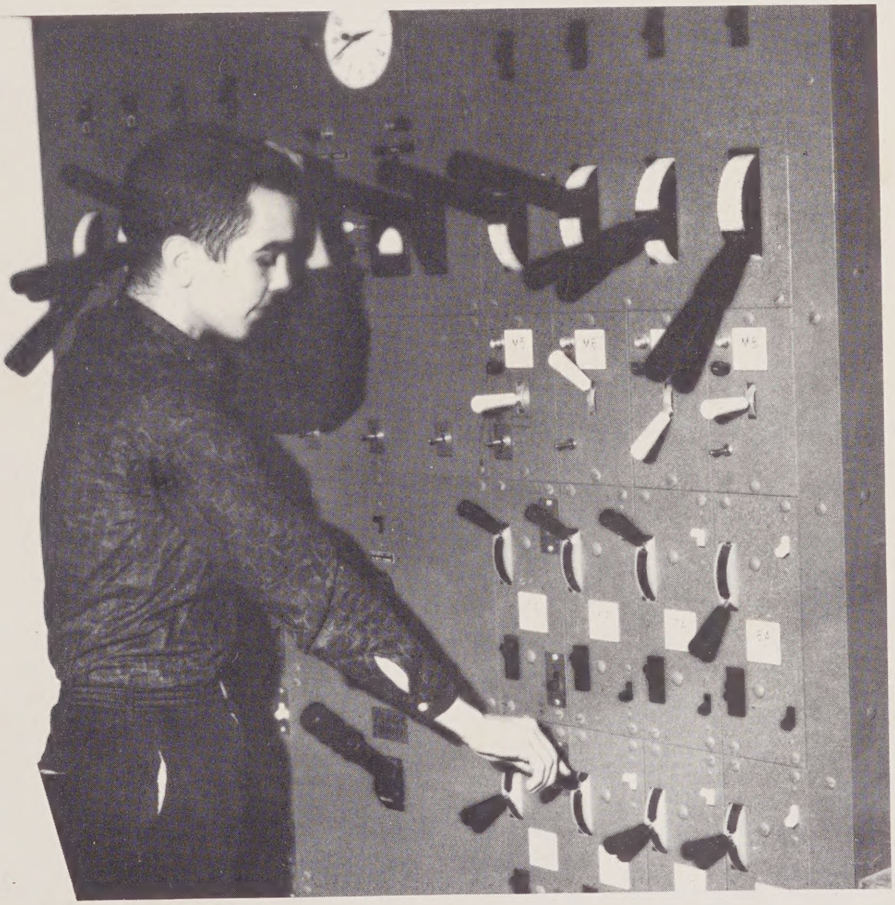
Some of our boys seek entrance to technical schools.

Homecoming is always a thrill...

Proud members of N. H. S.

Action in practice...

Busy Scorekeepers!

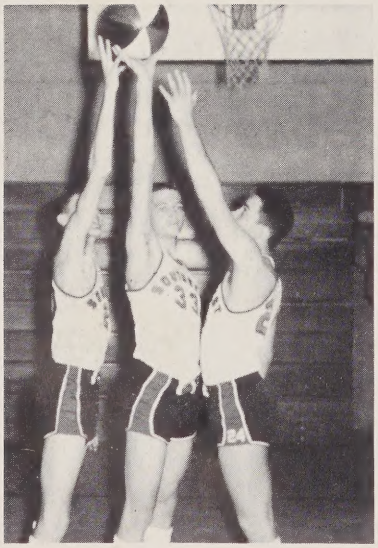


Students serve the school in many different ways...

New lettermen.

Home Ec. boys sample their own cooking.

Post graduation day finds these boys interested in the armed forces.



S-T-R-E-T-C-H

These girls will always remember homecoming night.

Jump, Phyllis, Jump.

Welcome to the chemistry lab!

On My Honor, I pledge...

The Junior Class presents "No Drums at Midnight" as class project.

H. E. SIMPSON, PRIN.

Principal's Message

We wish to congratulate each member of the Class of 1963 for his success during his four years at Southwest and wish to thank each for the contribution he has made in making this a better school than when he enrolled.

We trust that each of you has realized that your education is not complete and that you will seek additional opportunities to develop your potential so that each of you will become a more productive and effective citizen.
